August 18, 2026

Dear Parents and families of St. Patrick's,

Welcome to a new school year at St. Patrick's School! Whether you are returning to our community or joining us for the first time, I am happy to welcome you to what promises to be an exciting year filled with faith, leadership, learning, and success.

This year brings a wonderful and new blessing to our school community. I am absolutely thrilled to have Dr. Timothy Hearney as our new principal. I know that you will find him to be an accessible, dedicated leader for our students and staff. He, along with Mrs. Laura Herr and our dedicated teachers and staff come with a deep commitment to Catholic education, a wealth of experience, and a vibrant faith. I am confident that under their leadership, our school will continue to thrive academically while deepening our commitment to Gospel values.

On behalf of the priests in the rectory, administration and staff I want to say thank you for choosing to send your children to St. Patrick's Catholic School. We consider ourselves blessed to have a school attached to our parish. Your children add such vibrancy to parish life.

We look forward to partnering with you once again in the education and faith formation of your children. Together, as a community of faith, family, and excellence, we will make this an outstanding year.

Please be assured of my daily prayers for you and your children. ***Please join us on Sunday, September 13th at 10:00am for our Opening School Year Mass and Blessing of the Backpacks.*** We will have light refreshments in Murray Hall immediately following mass.

May God bless our students, teachers, and families as we begin this exciting new journey together.

Sincerely,

Rev. Msgr. Steven R. Camp, VF
Pastor, St. Patrick's Parish and School

Graduate Reflections

I attended St. Patrick's School since kindergarten and it was a truly great place for elementary and middle school. I am currently going into my Sophomore year at Chaminade High School and St. Patrick's really prepared me for the challenging classes and schedule. At Chaminade, I especially enjoy math and science. I am on the Chaminade cross country and tennis teams. I ran cross country at St. Patrick's and some of the race courses are the same. I always participated in St. Patrick's Chess Nuts and joined the Chess Club at Chaminade in addition to the Business and Economics clubs. A lot of my friends from St. Patrick's went to Chaminade so it is great that we all still travel to school, have classes and play sports together.

I appreciate how much Monsignor Camp and all my teachers from St. Patrick's prepared me for high school.

Griffin Boyle, St. Patrick's Class of 2025
Chaminade High School, Class of 2029

My name is Reese Miller and I am currently attending St. Dominic High School as a rising junior. Since my time at St. Patrick's I have brought the attributes and life lessons learned from an early age to my high school career. St. Patrick's has taught me to always follow my faith and maintain a strong and hardworking attitude toward major obstacles and minor situations. Now during my time at St. Dominic's I have been class president for 2 years, created publicly for our amazing community we have at St. Doms, followed my faith through thick and thin, and have been an honor roll student for my entire high school career. Although, I always come back to my memories and lessons learned at St. Patrick's. The family I have created here at St. Dominics always reminds me of the bond I had back in elementary and middle school. St. Dominic's has welcomed me home and I knew I was in the right place when it felt exactly like St. Patrick's. Go Bayhawks!

Reese Miller, St. Patrick's Class of 2024
St. Dominic High School, Class of 2028

Graduate Reflections

My name is Sofia Moschitta and I was a St. Patrick's graduate – class of 2022.

After St. Patrick's I attended St. Anthony's High School where I just graduated as part of their class of 2026. Now I am looking forward to attending Stony Brook University in August where I am looking forward to studying to become a Nurse Practitioner as well as playing on their Women's lacrosse team as a goalie. Both St. Patrick's and St Anthony's prepared me for the challenges that lay ahead of me. St. Patrick's gave me the foundation to be successful in high school where I was on the National Honor Society, consistently earned the St Bonaventure award for academic excellence and graduated with honors in many of my subjects.

I also played on the St. Anthony's varsity lacrosse team where we won the the championship for the catholic high schools and I won MVP for that championship game. I am now going to play Division One lacrosse for the number 5 team in the country. I truly believe that the work ethic instilled in me at St Patricks allowed me to excel in my school work, balance my work with my activities and prepared me for Stony Brook University.

Sofia Moschitta, St. Patrick's Class of 2022
St. Anthony's High School Class of 2026, Stony Brook University

I graduated from St. Patrick's School in 2023 and continued my academic journey onto St. Anthony's High School. While at St. Patrick's, I was a part of many sports teams including basketball, soccer, lacrosse, volleyball and any other team I could play on. Aside from being a place where I met some of my best friends, St. Patrick's provided me with a strong foundation to continue my religious studies. It also gave me the fundamentals on how to balance my academics with my athletics. Going into my junior year I spent the summer trying to get recruited to play D1 lacrosse. It was a very difficult and challenging summer both physically and mentally, but St. Patrick's taught me to trust in God's plan. With hard work and my faith I was able to announce a verbal commitment to play lacrosse in 2027 at Georgetown University. I look forward to continuing to strengthen my faith at Georgetown and will always remember the life long lessons that St. Patrick's has taught me. I am forever grateful to have been a part of such a special school and family.

Sierra Riepe, St. Patrick's Class of 2023
St. Anthony's High School Class of 2027, Georgetown University
