The apostles said to the Lord,

"Increase our faith."

Luke 17:5
Dear Parishioners,

The month of October is dedicated to Our Lady of the Rosary and respect for human life. I am happy to announce that our Respect Life Committee is up and running. The officers of the committee will be installed at the 8:45 Mass this weekend.

With the recent legislation that was signed into law allowing for pregnancy termination up through the ninth month, as well as talk of assisted suicide legislation being introduced, awareness of these many issues is important for us to know what the full effect will have on our life and for future generations. It is interesting to note our legislature has passed a bill and signed into law, that outlaws the declawing of cats because of the pain and suffering the animal goes through during the procedure. This is the same legislature that passed the most liberal abortion laws in the country, that allows for the destruction of the child in the womb, without any concern for the pain and suffering it goes through during the procedure and the termination of its life.

With is in mind I offer a reflection that I found based on Hebrews 6:18-19, “Hold fast to the hope that lies before us. This we have as an anchor of the soul, sure and firm.”

“From the time we are knit together in our mothers’ wombs until we take our final breaths, each moment of our lives is a gift from God. While every season of life brings its own challenges and trials, each season also gives us new opportunities to grow in our relationship with God.

Today the gift of life is threatened in countless ways. Those who are most vulnerable, rather than receiving the protection they deserve, are all too often seen as a burden and as expendable. As new attacks on human life continue to emerge, we can be tempted to despair, but Christ instead offers us unfailing hope.

Hope is not false optimism or empty positivity. Christian hope is something much more profound and goes to the very depths of our identity as followers of Christ.

Hope is the virtue “by which we desire the kingdom of heaven and eternal life as our happiness, placing our trust in Christ’s promises and relying not on our own strength, but on the help of the grace of the Holy Spirit” (CCC, 1817).

Like us, Christ entered the world through the womb of a woman. He willingly experienced the fullness of human suffering. He breathed his last on the Cross at Calvary in order that He might save us. Therefore, “God is the foundation of hope: not any god, but the God who has a human face and who has loved us to the end” (Spe salvi 31).

Christians know “they have a future: it is not that they know the details of what awaits them, but they know in general terms that their life will not end in emptiness” (SS 2).

For this reason, a woman experiencing a difficult pregnancy can find the strength to welcome her precious child into the world. A man facing a terminal diagnosis can see that the end of his earthly life is only the beginning of eternal life with Christ.

The Church teaches us that “the one who has hope lives differently” (SS 2). Christ’s promise of salvation does not mean that we will be spared from suffering. Rather, the promise of salvation ensures that even in the darkest moments of our lives, we will be given the strength to persevere. By virtue of this Christian hope, we can face any challenge or trial. When the seas of life swell and we are battered by the waves, hope allows us to remain anchored in the heart of God. May we hold fast to Christ our hope, from the beginning of life to its very end.”

Have a great week,

Respect Life

October is known both as “Respect Life Month” and as a month dedicated to the Holy Rosary. It is a time to recognize the great beauty of life and to invoke the Virgin Mary’s protection over the most vulnerable of society.

St. John Paul II lived out this reality throughout his entire life, constantly advocating for the protection of life as well as keeping a close relationship with the Blessed Mother.

These two spiritual themes are present in a beautiful prayer John Paul II wrote at the end of his encyclical Evangelium Vitae, “The Gospel of Life.” It is a prayer that is extremely fitting for “Respect Life Month,” especially as we honor the Virgin Mary this month.

O Mary,
bright dawn of the new world,
Mother of the living,
to you we entrust the cause of life
Look down, O Mother,
upon the vast numbers
of babies not allowed to be born,
of the poor whose lives are made difficult,
of men and women
who are victims of brutal violence,
of the elderly and the sick killed
by indifference or out of misguided mercy.
Grant that all who believe in your Son
may proclaim the Gospel of life
with honesty and love
to the people of our time.
Obtain for them the grace
to accept that Gospel
as a gift ever new,
the joy of celebrating it with gratitude
throughout their lives
and the courage to bear witness to it
resolutely, in order to build,
together with all people of good will,
the civilization of truth and love,
to the praise and glory of God,
the Creator and lover of life.

We Find Strength in Community Bereavement Support

There are many paths that we walk in our life experience but none more difficult as the one we walk when we experience the death of a loved one. This loss can affect us in many different ways.

Grief and bereavement is a process not an event, working through it is an important step towards healing and renewed growth. The death of a love one is not something we “get over.” But the heart can heal if we are willing to take positive steps.

It can sometimes be helpful to share the challenges of your loss with others who are experiencing or have experienced the same loss.

Support groups provide an opportunity to share stories, to simply listen, to encourage others or be encouraged. In a support group you will have the assurance that you are in a totally confidential environment receiving the support of your facilitators as well as the group members.

St. Patrick’s parish invites you to join us for our fall support group beginning Tuesday October 29th at 7:15pm. The group will meet for 8 consecutive Tuesdays concluding December 17th. We are looking forward to meeting you.

To register for the support group, please leave a voicemail for Tricia Krug at 631-385-3311 ex 211, please leave a contact phone number and indicate the best time to return your call. Please register by Friday October 25, 2019.

This Fall, couples who have been married fifty years will be honored at a Mass on Sunday, November 3, 2019 at Maria Regina Roman Catholic Church in Seaford. Mass will begin at 2:00 pm, Bishop Andrzej Zglejszewski will preside. Registration forms and complete instructions can be obtained at the rectory. Space is limited, registration will be accepted on a first come first served basis. The forms can also be found on our website www.drvc-faith.org. If you have any questions you may call 516-678-5800, extension 223.
